RENTAL AGREEMENT FOR WATER SERVICE

RENTER (PRINT NAME)

PROPERTY OWNER (PRINT NAME)

This document shall serve as evidence to the Douglas Water Authority that a rental agreement exists between the above parties.

By signing this document, the owner confirms ownership of the property and can furnish a deed if required by the Authority. The owner authorizes the renter to have water service at the property.

By signing this document, the renter states an agreement exists with the owner to have possession of the property and to provide their own water service.

This document does not make the owner liable for any unpaid water bills or fees of the renter.
