## Temporary Service Agreement

The Douglas Water Authority will turn on the water service located at

Route/Account \_\_\_\_\_

Service Address \_\_\_\_\_

On \_\_\_\_\_ until \_\_\_\_\_ for a service charge of \$15 paid in advance plus the normal DWA water rate for all water used, to be billed at the time of disconnection.

This service will remain on for no more than two weeks unless the temporary customer notifies our office to request another two week extension. **The extension request must be done no later than 1 full day before the due cut-off date.** All two week extensions incur an additional \$15 service charge.

When the service is disconnected, the temporary customer will be billed for all water used plus any extension service charges. The Temporary customer agrees to be responsible for all charges.
